

• 17TH ANNUAL SIMANGUS & CHAROLAIS BULL SALE •

SCHRADER *ranch*

TUESDAY, MARCH 19, 2019 | 1:00 PM AT THE RANCH
Top End Bid Off | 80 Charolais and SimAngus Bulls on Test

*We look forward to visiting
with you at the ranch!*

WELCOME

The 2019 Annual Sale marks the 17th year we have sold bulls in a structured format and the 21st year we have sold seedstock. We are excited for our customer appraisal of the offering. There is no question that it is the deepest and highest quality group we have offered to date. Many of our strongest relationships have been forged through our customers. Our family truly enjoys the cattle business and the people that comprise the industry. We are fortunate to have been blessed with a way of life that promotes our desire to raise good kids and genetically progressive cattle.

Practical performing, easy handling cattle with favorable convenience traits, as stated annually, will always be the priority at Schrader Ranch. Consistency and uniformity fit firmly in that mix as well. Therefore, regardless of breed or breed percentages, our philosophy remains similar throughout. Chores are more enjoyable for all facets of the industry if cattle are thrifty, likeable and good looking.

Direct Link traded nearly 16,000 head of feeder cattle this past calendar year. Just as importantly, Direct Link helped producers realize market value on an estimated 10,000 additional head through customer support. We are serious about service. Whether or not Direct Link handles the trade is secondary to helping producers realize value potential of their calf crop. Nothing is more satisfying than watching customer's calf crops improve from one year to the next.

Please feel free to stop by the ranch before sale day to view the cattle. Laci, Weston, Josi and I will be more than happy to talk cattle.

Thank you for your interest.

TUESDAY, MARCH 19, 2019 | 1:00 PM AT THE RANCH
Charolais and SimAngus Bid Off

SCHEDULE OF EVENTS

Bulls available for viewing prior to sale by appointment.

Tuesday, March 19th

9:00 AM	Coffee & Treats
9:00 AM	Cattle available for viewing
12:00 PM	Lunch
1:00 PM	Bid-Off
After Sale	Social

SALE DAY PHONES

Spencer Schrader	785-488-7204
Laci Schrader	785-488-7227
Ranch	785-488-2135
Dan Suderman	620-381-1014

MARKETING PARTNER

LOCATION

2118 Oxbow Rd, Wells, KS 67467

DIRECTIONS

On I-35 - From Concordia - South 30 miles to Limestone Road/Wells Road or

From Salina - North 20 miles to Limestone Road/Wells Road

Turn East on Limestone Road (It is also marked as Wells to the East). Once you turn east, follow the blacktop about 10 miles through the curves as the road eventually turns straight north and becomes 210th. The ranch is located on the east side of the corner of 210th and Oxbow

From Clay Center - Go South 9 miles on 15 Hwy to the Oakhill blacktop road and turn west. (There is a power station on the East). Go west about 22 miles where a big curve will take you South. From the curve, Oxbow Rd is about 5 miles South. The ranch is on the East side of the road.

From Bennington (Hwy 18) - Take Nelson street north (which is the main street) about 7 miles to the first stop sign. Continue north another two miles to the second stop sign. Turn east onto Limestone road. Follow the curves (about 6 miles eventually going straight north) to Oxbow Road. The ranch sits on the east side.

SALE PROCEDURE

All bulls will be given a base price. Any bulls having multiple buyer interest will be bid off. Otherwise, bulls with single buyer interest can be purchased at the base price.

ANNOUNCEMENTS

All announcements made sale day will take precedence over printed material.

SALE TERMS AND CONDITIONS

All animals sell under the terms and conditions of their respective breed associations.

CARCASS INFORMATION

A supplement sheet of ultrasound results will be posted on our website, www.schraderanch.com and available sale day.

BULL VIDEOS

Videos of each bull will be posted on our website on or before March 15th.

SIGHT-UNSEEN PURCHASED BULLS

If you are unable to attend, we will be happy to help purchase bulls on order with a guarantee of satisfaction. All we ask is that you give us plenty of advance notice prior to the sale to fully discuss possibilities.

DELIVERY OR "PICK-UP" DISCOUNT

A \$50 per bull discount is available to buyers who take their purchases home sale day. Otherwise, free delivery will be offered up to 300 miles from Schrader Ranch. Beyond that, we will assist to the best of our ability with travel arrangements.

BULL WARRANTY

If any problems arise with purchases, we will work diligently to find solutions. Fill free to contact us before the sale to discuss our policies.

INSURANCE

We will do everything in our power to ensure a safe environment for bulls until they go to their new homes. However, after the conclusion of the bid-off, the cattle become property of the buyer. Insurance options will be available sale day.

HEALTH PROGRAM

Birth	Vision CD&T
May 2018	Alpha 7MB, Inforce 3, Bovishield One Shot, Dectomax, Cyence Ultra Fly Tags
August 2018	Vision 7 20/20, Bovishield Gold
September 2018	Bovishield Gold 4, Dectomax
November 2018	Cyonara (Lice control)
January 2019	Clean Up II (Lice control)
February 2019	Alpha 7MB1, Bovi-Shield Gold FP5-VL5

FEED & NUTRITION

Our bulls are not fed to achieve maximum performance. Rather, they are fed a target ration of 3lbs. ADG to express differences. Free choice brome and a corn and dried distillers grain mix comprise the diet.

HERD VETERINARIAN

Dr. Kenn Lacy, Starr Vet Services. 785-427-7379

EMBRYO TRANSFER

Dr. Glenn Engelland, Sun Valley Embryo Transfer. 785-825-7600

LIABILITY

Anyone attending the sale attends at their own risk. Schrader Ranch will not be responsible for any personal injury of individuals for attending this sale.

DNA HD TESTING

The Simmental bulls were DNA-HD tested, increasing the accuracy of their EPD profiles. They also were tested for polled and color status. These results are reflected in the catalog.

For more information please contact Schrader Ranch.

Central Kansas District
4-H Livestock Judging Team

CharX:

America's Favorite Feeder

On America's predominately Angus and British based commercial cow herd, the Continental Cross of a Charolais Bull is the unsung hero of today's beef industry. More than ever, the use of breed complimentary traits and heterosis is needed to produce more efficient beef and maximize producer's profits. Charolais brings the growth, feed conversion, carcass weight, optimum yield grade, and % red meat yield as an ideal match to the maternal traits and quality grade provided by British based cowherds. These breed compliments alone prove the value of crossbreeding as a means to achieve growth orientated cattle with a high % of Yield Grades 1 & 2's without sacrificing Quality Grade. This combination becomes even more advantageous when you consider the proven individual heterosis of crossbreeding shown below:

Individual heterosis: Advantage of the crossbred calf¹

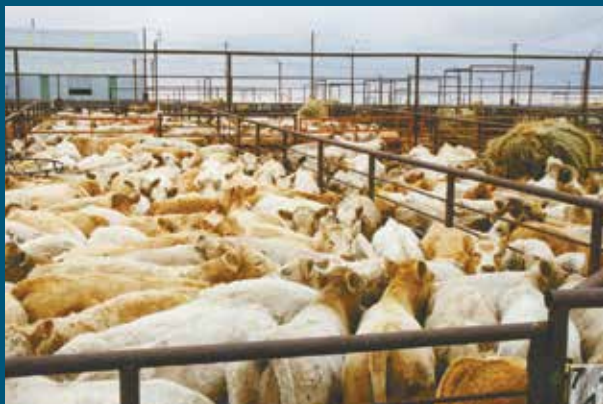

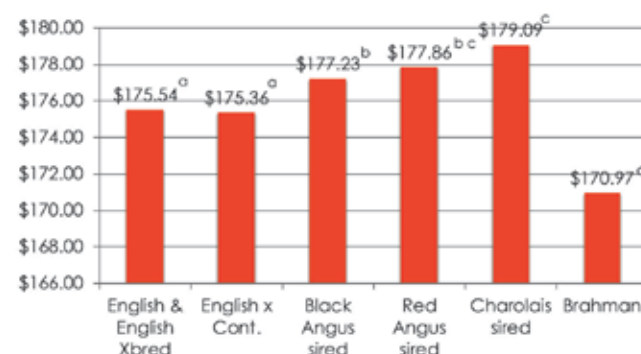

Trait	Observed Improvement	% Heterosis
Calving Rate	3.2	4.4
Survival to Weaning	1.4	1.9
Birth Weight	1.7	2.4
Weaning Weight	16.3	3.9
ADJ	0.08	2.6
Yearling Weight	29.1	3.8

¹Adapted from Cundiff and Gregory, 1999

Over 3 million head of steer calves were analyzed from 2010-2016 and Charolais sired calves brought the largest average premium on a per pound basis!

(McCabe, 2018)

Effect of Breed Description on the Sale Price of Steer Calves*- Superior Livestock Sales Results - (2010-2016)

Profitability

Charolais Cross 'Smokey' & 'Buckskin' feeders are always in high demand. As feeder cattle sell this fall, be sure to note the prices of these Charolais influenced calves. They sell well on a per pound basis, but be sure to take that price multiplied by Total Pounds to see the Total Return to the rancher's bottom line. Furthermore, based on the science of heterosis shown above, consider the input costs needed to get these calves to this point.

SIMMENTAL BULLS EPD DEFINITIONS AND TERMS

Expected Progeny Differences (EPDs): EPDs are the most accurate and effective tool available for comparing genetic levels. In using EPDs, the difference between two sires' EPDs represents the unit difference expected in the performance of their progeny. For example, if sires A and B have EPDs of +10 and -5, a 15-unit difference would be expected in their progeny (moving from -5 to +10 yields 15 units). Key to using EPDs is knowing in what units they are expressed. For example, if the above case referred to weaning weight EPDs, sire A would be expected to sire 15 pounds more weaning weight than sire B. If calving ease was the trait, sire A would be expected to sire 15 percent more unassisted births in first-calf heifers; in other words, if sire B sired 30 assists in a group of 100 heifers, we would expect sire A to require 15 assists. A percentile-ranking chart is required to determine where a bull's EPDs rank him relative to other bulls in the breed. For more detailed information about EPDs and \$ indexes, visit www.simmental.org. Listed below are the units in which ASA EPDs are expressed, you can find the full list online:

Calving Ease (CE): Percent of unassisted births when used on heifers.

Birth Weight (BW): Pounds of birth weight.

Weaning Weight (WW): Pounds of weaning weight.

Yearling Weight (YW): Pounds of yearling weight.

Milk (MLK): Pounds of weaning weight due to milk.

Carcass Weight (CW): Pounds of carcass weight at 475 days.

Maternal Calving Ease (MCE): Percent of unassisted births in first-calving daughters.

Yield Grade (YG): Carcass yield grade score at 475 days.

Marbling (MRB): Carcass marbling score at 475 days.

Ribeye Area (REA): Square inches of carcass ribeye at 475 days.

Warner-Bratzler Shear Force (WBSF): Pounds of force required to shear a ribeye steak.

All-Purpose Index (API): Dollars per cow exposed under an all-purpose-sire scenario. (See \$ Indexes for more details.)

Terminal Index (TI): Dollars per cow exposed under a terminal-sire scenario. (See TI for more details.)
